Final Week to Make a Difference with Indianapolis Legal Aid Society

As we enter the final week of the **Indianapolis Legal Aid Society (ILAS)** campaign, I want to express personal thanks to everyone who has contributed so far. Thanks to your generosity, we have raised 2/3rds of our fundraising goal, and your support has already made a meaningful impact in advancing justice and stability for families in need.

If you haven't had the chance to give yet—or if you're inspired to give again—this is your moment to make a difference.

Go to: <https://www.indylas.org/donate-annual-fund> to donate and be part of this transformative work.

Why Give Now?

New Year, New Opportunity:

Start 2025 by supporting a cause that transforms lives. Your donation helps establish guardianship for children, keeping them in safe, loving homes and out of the foster care system.

Pro Bono Giving That Multiplies Impact:

Financial contributions to civil legal aid organizations like ILAS count as pro bono under Rule 6.1. Your donation extends your support far beyond what two hours of volunteer work could achieve, creating a lasting ripple effect for families and communities.

Your Legacy of Justice:

Every gift, no matter the size, is a statement of belief in accessible legal assistance and a brighter future for those in need. Join the growing list of supporters who are shaping this success story.

Together, we can ensure ILAS reaches its goal and continues to provide critical legal assistance that changes lives. Let's close out this campaign with the same commitment and passion that has brought us this far.

Thank you for being an essential part of the ILAS community. Your support ensures that justice remains accessible to all.

Your gift does more than resolve legal issues. It gives families hope, stability, and the assurance that someone is fighting for their future. Every guardianship established, every child protected, and every family reunited reflects the transformative power of your support.
